

Healthcare

Next-Steps Information

Thank you for completing an online referral for how to sign up for healthcare — your first step in getting covered. After your referral is received by WithinReach, they will call or email you to see if you're eligible, and help you enroll.

When should I expect a call/email?

You will receive up to two phone calls and an email from a specialist at WithinReach, **one week** after your referral.

What information do I need to enroll?

To enroll for Healthcare, you will need the following information for everyone in your household (or on your tax return):

1. *Names and birthdays of everyone listed on your tax return.*
2. *Social Security numbers if US citizens, or passport or green card.*
3. *Tax filing status (married, single, dependent, etc.).*
4. *How much income does your household receive per month, before taxes?*
5. *What type of income is it (wages, salaries, tips, social security, pensions, unemployment, alimony, rental income)?*
6. *Is anyone paying for school tuition or interest on student loans?*
7. *Is anyone paying for alimony?*
8. *If you currently have health insurance, we'll need your: carrier, policy number, group number (find this on your insurance card or policy).*
9. *Has anyone in your home turned down insurance? What was the premium?*

What if I don't hear anything?

If you don't hear anything, you can get more information from the following:
